Whitfield County Public Works Director

Applicant agrees to indemnify and hold harmless the county, the public works, and all officers, employees or agents of the public works or the state, or any political subdivision thereof, against any and all claims, damages, demands, actions, causes of action, costs and expenses of whatsoever nature, which may result from any injury to, or the death of, any persons or from the loss of, or damage to, property of any kind or nature, when such injury, death, loss or damage arises out of the construction, operation, maintenance, repair, removal or relocation of the facilities covered by this permit.

The department, officers or employees shall not be held responsible or liable for injury or damage that may occur to facilities covered by this permit.

The permittee shall, at all times, maintain flagmen, signs, lights, flares, barricades, and other safety devices in accordance with the department's manual on uniform traffic control devices and as may be necessary to properly protect traffic upon the highway and to warn and safeguard the public against injury or damage. It is the applicant's responsibility to verify the limits of public right-of-way for location of the utility facilities authorized hereby.

No inherent or retained right or privilege of any abutting property owner is affected by this permit nor is the department responsible for any claim which may develop between the permittee and any property owner concerning use of the right-of-way. Permittee is responsible for maintaining reasonable access to private driveways during installation of its facilities and for restoration of driveways to the owner's satisfaction.

Approval of this permit does not constitute approval of design or construction details for the proposed facilities. Applicant is responsible for compliance with all applicable governmental codes and regulations.

Use of explosives within the roadbed or beneath the pavement is prohibited unless approved by separate permit.

Permittee shall give the department a minimum of 24 hours notice prior to beginning any work under this permit.

THIS PERMIT SHALL BE VOIDED UNLESS WORK HEREUNDER IS BEGUN WITH 30 DAYS OF THE DATE OF ITS APPROVAL. THIS PERMIT MAY BE REVOKED AT THE PLEASURE OF THE DEPARTMENT UPON WRITTEN NOTICE TO THE PERMITTEE.
