The monthly meeting and training will be held on the first Thursday of each month in the EOC at 804 Professional Blvd Dalton, GA 30720 unless otherwise noted. The meeting will begin at 6pm followed by the scheduled training. The training is normally completed by 9pm. All other trainings and events days and times are listed. We hope to see everyone for their 12 hours of continuing education in 2022!

Monthly training in April is the 2nd Thursday due to Spring Break.

We changed the date of the Christmas Party to the second Thursday so that it did not interfere with the Dalton Christmas Parade as it has in the past.
