Local Vendor Privilege

Because bids awarded to local vendors contribute to the Whitfield County tax base and promote the local economy, the Whitfield County Board of Commissioners has instituted a local vendor privilege as follows. To qualify as a local vendor, the following conditions have to be met:

1. The vendor has to have an established place of business within Whitfield County.
2. The vendor must have at least two (2) employees who have been working for six (6) months or longer before requesting a local vendor privilege.

All vendors who met these conditions and who wish to claim the local vendor privilege must complete the Affidavit of Eligibility available on the County web site. The local vendor privilege gives qualifying vendors, who are within 4% of the low bid, the opportunity to agree to match the low bid within 24 hours. If more than one local vendor meets the qualifications, the lowest local bidder will be given the first opportunity to agree to match the low bid. If they refuse, the next lowest bidder will get the opportunity and so on until all local vendors within the 4% range have been given an opportunity.

Whitfield County reserves the right to accept or reject any or all bids for any reason, to waive technicalities, and to make an award deemed in its best interest. Whitfield County shall have

the right to delete a unit item from the bid if necessary or proper in the sole determination of Whitfield County.

We certify that our bid meets the minimum requirements as specified in bid documents, this _____ day of _____, 20_____.
