***PLAYING TWO GAMES**

Jamboree type games will consist of two, nonstop, ten minutes halves, with a five minute half time break. The clock will only stop in case of injury. There will be no kickoffs or punts, and no extra points. Home team will begin first half on offense. At the beginning of each half and after touchdowns, the receiving team will begin at the 25 yard line. Punts will be marked 20 yards from scrimmage. Teams should be warmed up in advance and ready to play at their scheduled time to avoid delay.

All cheerleaders will be recognized during half time period of their team game.
