Whitfield County CERT is a FREE two-day, 24-hour all hazards preparedness class. Participants must be 18 or older and be present for both days of class.

Next class: January 21-22, 2023

Our Vision

In disaster situations, first responders can rapidly be overwhelmed with response tasks. Whitfield County CERT is designed to help relieve some of the strain with trained volunteers and a more prepared citizenry.

Training Includes:

- Disaster Psychology
- Light Search and Rescue
- Disaster Medical and Stop the Bleed Training
- Emergency Communications
- Fire Safety and Extinguishers
- Civilian Response to Active Shooter Events
- Hazardous Materials Awareness
- Utility Control
